CONTROL ZONE

Hey, Boomers!

Have we got a seriously chillin' Halloween issue for you! Not only a spooky surprise cover (well it made me shiver), not only a free **Sonic mask** (guaranteed to scare off Badniks within a ten-mile range), not only a gruesome **Graphic Zone** featuring your scary sketches - but a cool new compo to boot! Speaking of witch ...

You have the chance of winning one of 25 **Creepy Towers** or one of 30 **Creepy Cans**. Each is packed full of spooky books, games, toys and other surprises. Plus, if you'd like to make your bedroom even more frightening than it is right now (Boomer's folks may find this hard to imagine), pin-up the **Natbrain Badnik** in the centre-pages.

Take a look at this issue's **Speedlines** - it's a first. All the letters in it were sent into STC by e-mail. Since we introduced our e-mail address in issue 58, you Boomers have been zapping messages to us via The Internet by the megabyte. Remember, all you need is access to a computer, a modem and an online service. Our e-mail address is on each Speedlines page, so keep 'em coming - everything printed wins a prize!

Next issue comes with a FREE mini-pack of 'zingy' Rowntree's Fruit Pastilles. For those who'd like to get their teeth into the freebie this issue, however, see below for instructions on how to have a face like megastar!

Sonic the mask!

Follow STC's step-by-step instructions on how to put together Sonic The Mask.

- 1) Make use of an adult-hume - ask for a pair of scissors and carefully cut round the black outline of Sonic's head.
- 2) Cut out the two white perforated circles of Sonic's eyes.
- 3) Pierce a hole in the two black dots shown on either side of the mask.
- 4) Thread a fairly lengthy piece of string/elastic through the holes on both sides.

- 5) Take the two loose ends of the string/elastic on either side of the mask and tie at the back of your head.

Now even Doctor Robotnik would be fooled!

KEEP IT IN THE FAMILY!

Dear Megadroid,

My brother Daniel has written to you a few times but was disappointed not to get a reply. However all this changed when STC set up Speedtrack and he received a reply to his e-mail! By the way, between you and me, I enjoy reading STC too.

Rachael Finn, North London.
Sonic Stationery Winner.

I've noticed that the whole Finn clan have been regular visitors on the network, Rachael.

OCH AYE THE NEW!

Dear STC,

I've sent this from my mum's PC at her work to let you know how much I like the new cover design. I also approve of the new look for Megadroid as I think he's ace.

Jamie Illingworth,
Bradford, W Yorks.,
MD owner. Sonic Stationery Winner.

Even though Megadroid's Appreciation Club (MAC) is growing all the time, I'll try not to let it spoil me! A round of applause should go to STC's Designer Droid Gary Knight for the cover design.

CHERRY GRIPE!

Dear STC,

Although I've always liked your comic, I have to say that it's gone downhill lately. Sonic looks more like a pig and Tails is a complete wimp!

Cherry Hamlett, Colchester,
Essex.

It's unfortunate that we've given you the pip, Cherry!

More STC magic!
